Very decorative and unusually comfortable early 19th century English Regency mahogany sofa with these wonderful twin tiered arms and well carved mahogany frame. The currently upholstery, although not new, is in good condition and has been well cared for so the upholstery is in good condition and can absolutely be kept as is. Comfortable to sit on which is not often the case with these sofas...the existing fabric works well on the sofa, the colour changing in different lights, so you get a deep purple to blue with the grey stripe, the seat cushion is separate to the frame.
