Description

Set of 6 Victorian Kitchen Chairs - Includes 2 Fabulous Carvers An excellent and seldom found set of six kitchen dining chairs made from gorgeous beech. The set consists of 4 x six spindle round seated chairs and 2 x Carvers to match. These chairs are in really excellent order. Beech is a very robust wood and the choice of it for this set has allowed an elegant design to be achieved without compromising any of the strength and durability expected from such functional pieces of furniture. The spindles are fine and the whole look is one of finesse. The seat area on both standard and carvers is circular. The turned parts are nicely detailed and the carvers have wonderful swept arms. Overall a superb set of country chairs that will function well and look beautiful for the next 100 years.
