Description

Outstanding Victorian mirror back credenza with a Carrara white marble top. Its large, beautiful arch mirror will create the impression of a more spacious, brighter room and is decorated with fabulous crisp carvings. The wonderful original marble top which follows the shape of the base, has a discoloured ring in the middle, (shown in picture) however this can be covered by an ornament or plant so won't detract from the beauty of this piece of furniture. The doors are veneered in stunning figured walnut with glazed oval panels and open to a red velvet lined interior. The shelves are adjustable in the middle cabinet but are fixed in the side cabinets. Separating into 3 pieces (mirror, marble and base) makes it easy for transportation and placing. A striking item with a deep rich colour and amazing graining that will make a fantastic addition to any room.
