Description

A very large Old Sheffield Plated warming tureen featuring a removable handle and inner bowl as well as a three part internal divider. On heavily embossed cast feet, this is a substantial piece of 19th Century table wear. The edge detailing is especially ornate and this is a particularly impressive piece. Tinned to the interior of the warming dish. In very good condition with only minor copper bleed marking to the interior - see photos. Total length from handle to handle approx 36cm. Diameter approx 32cm. Height to top of handle approx 22cm.
