Description

A fantastic looking and extremely comfortable antique deep buttoned leather wing chair. This was made in England, it dates from around the 1920's. The quality is superb, the leather has a gorgeous colour tone and the frame has a wonderful and generous shape. The leather is hand tacked all around the edges, the seat cushion is feather filled, and the stretchered base is solid mahogany. We have had this hand coloured and revived by our leather restorer, to enhance the patina and give it this beautiful lustre. The condition is excellent for its age, with only some extremely minor wear to be seen here and there, which only adds to the overall character. Width – 32 inches , 82 cm Depth – 32 inches , 82 cm Height – 44 inches , 112 cm Seat height – 18 inches , 46 cm
