Description

Fine Regency rosewood reading table; the rectangular hinged and adjustable top with rounded corners and a burr yew crossbanded border, on a slender ring-turned shaft with three splayed legs with inlaid arrow-head facings. The underside with its original gilt-brass collar, hinged quadrant, knob and catch. Circa 1810 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend in November.
