Description

Royal House Antiques is delighted to offer for sale this very fine circa 1880-1900 Antique Chinese Dragon carved Zitan Sijiangui compound cupboard. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. A very rare, important and collectable piece of antique Chinese furniture. If you do a little research you will see examples with the hat chests that have sold in Christies for over \$600,000 USD in 2017. There are other later and lesser pieces that have sold in the high tens to low hundreds of thousands of course. This piece is exquisite, its quite difficult to convey just how fine this cabinet really is. Condition wise is period, there will be some light age and patina marks here and there, we have cleaned waxed and polished it from top to bottom. Dimensions Height:- 120cm Width:- 80cm Depth:- 40.5cm. Please note all measurements are taken at the widest point, if you would like any additional or specific measurements please ask. Any questions please feel free to ask.
