Description

Most unusual Georgian heavy copper round Gentleman's club pipe smoker's ashtray (I think !!!!). This is a beautifully made piece of early copper and is pretty heavy. Has a central cone part inside which I think is gunmetal with a turned rosewood round top part. Tinned inside. I can't think what else it could be. Very unusual and very nice. Price includes UK postage costs. SIZE; 7" diameter by 2 3/4" high CIRCA; 1820
