Description

A beautiful top quality rare German solid silver and enamel souvenir spoon. It is hallmarked with the German crescent and crown state symbols, a makers mark and the 800 silver standard mark. It dates to c1910. It has been superbly designed with the bowl being enamelled with the image of the a girl in traditional dress being made as a souvenir of Uri in Switzerland. It is in super condition being free from dings splits distortions and repairs. Note the top has a little filled area to the yellow enamel edge although this looks to have been done at the time of production. It measures approx. 5 inches (12.6cms) long and weighs 14 grams. A top quality rare example.
