Description

A beautifully made and useful antique inlaid mahogany side table. This was made in England, it dates from around 1890-1910. It is of superb quality, very well made and sturdy. The circular top has beautiful inlaid satin wood in the centre and also around the outer edge. This sits on a strong solid mahogany tripod base. We have had this recently re-polished, it is in fantastic overall condition with a gorgeous patina. The top has some minor wear and old marks beneath the polish, commensurate for age. Width – 23 inches , 58 cm Depth – 23 inches , 58 cm Height – 29 inches , 74 cm
