Description

A magnificent pair of antique mahogany bow fronted cabinets. These were made in England, they date from around the 1900-1910 period. The quality is outstanding, they are a great size with lots of storage space. Each has a single draw in the top section and a single shelf in the lower cabinet. One of the cabinets has half of the shelf recessed, presumably to be able to fit larger drinks bottles. The cabinets sit on short tapered legs with spade feet, each has a gorgeous colour and patina. We have recently had these re-polished, they are in lovely condition for their age, with no damage and just some minor wear beneath the polish, commensurate for age. Width – 48 inches , 122 cm Depth – 21 inches , 54 cm Height – 36 inches , 92 cm
