**Date of manufacture: Victorian**

## Description

**DESCRIPTION** An outstanding Victorian natural old mine cut diamond cluster ring set in 18ct yellow gold  
**HALLMARKS** Hallmarked 18ct though I suspect this is a replacement shank as nice and thick and in fantastic condition  
**MEASUREMENTS** Cluster head; just over 12mm Central old cut diamond 4-4.5mm measuring approx 0.25- 0.30ct. Smaller old cut diamond surrounding approx 0.08ct These diamonds are held in a stunning pinched claw setting. there is aged patena to these claws that could be polished out but has spent hundreds of years obtaining and in my eyes adds a huge amount of value and character These diamonds are superb quality with excellent clarity, flawless to the naked eye, with a loupe Si1-2 and great colour, estimated at H-I Weight 3.6g  
**CONDITION** Good condition, minimal signs of wear commensurate of age. Rare to find such a lovely large cluster in fab condition with a great show on the finger!  
**RING SIZE** GB Q 1/2 US 8 1/2
