Description

Very elegant late 19th century English breakfront credenza in figured walnut with original brass mounts and a black lacquered top, circa 1880 and in good condition. This is a lovely slim credenza but offers good storage space within the central marquetry panelled door which is flanked by two glass fronted cupboard spaces. There is a central fixed shelf and the interior is fully lined with a vintage red velvet (this can be changed if it is not right for you). Great decorative piece and good for display with room for a pair of lamps and a central mirror or picture to hang above...could also make a good drinks cabinet too. Measuring: 41 1/2 inches or 105.5 cm high 65 1/2 inches or 166.5 cm maximum width 14 1/2 inches or 37 cm deep
