Description

A lovely and very useful nest of four tables, in the antique Georgian style. These were made in England, they date from around the 1930's. The quality is superb, they are beautifully designed, elegant and very well constructed. Each table top has mahogany on the outside, with an ebony inlay & a satinwood oval panel in the middle. They have stretchered bases for extra stability, and all slide under the next smoothly. We have had these recently re-polished, they are in excellent condition for their age.
