Description

Well proportioned late 18th century Georgian mahogany low bow side table, circa 1780. Good condition with some general age and use marks, but all under many many decades of beeswax, so it has a lovely mellow glow to it. Originally used as a writing table, but certainly makes for a great side lamp table for example. The handles are Georgian, but they are not original to this lowboy. Measuring: 27 inches or 68.5 cm high 29 inches or 73.5 cm wide 17 3/4 inches or 45 cm deep
