Date of manufacture: 17th Century

Dimensions

Height = 18.4 cm (7.2")

Width = 1.3 cm (0.5")

Depth = 1.3 cm (0.5")

Description

A rare survival from the late 17thc /18thc is this beautifully decorated ladies knitting sheath....it is embossed with a party scene, showing a happy couple dancing and someone toasting the happy couple with an elegant wine glass of the time...I like the period costumes the couple are wearing....the sheath is in excellent condition for its age and obviously no hall marks....too early. Dutch. C1680-C1720.
