A charming 18th century antique oak mule chest. The antique oak mule chest has a two plank hinged lid that opens to reveal a generous storage space. The antique oak mule chest has a three panel front with two fitted drawers to the base, each fitted with decorative brass drop pulls/handles. The antique oak mule chest has panelled sides and is raised on four stile feet. Item Ref; M-4365 . DIMENSIONS: Height – 77.5cm / Width – 114cm / Depth – 56.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the top (pictured), further marks, scratches and minor dents to the front (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak mule chest remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind.
