## Description

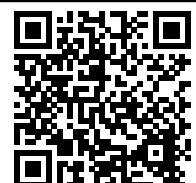

A rather pleasing Georgian antique mahogany chest of drawers. The antique mahogany chest of drawers has a rectangular shaped top that sits above two short over three long graduating drawers, each with decorative brass backplates with drop handles. The antique mahogany chest of drawers has ebony stringing to the edging and drawer fronts. Raised on bracket feet. Item Ref; M-4387 . DIMENSIONS: Height – 99cm / Width – 110cm / Depth – 54cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top (pictured), further marks to the sides. There are minor losses to the drawers beading (pictured), also patch repairs to the veneer at the front (pictured). There is also evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of a Georgian antique.
