Description

An absolutely stunning pair of antique Swedish armchairs in satin birch. They were recently imported from Sweden, they date from around the 1900-1920 period. They are of amazing quality and are extremely stylish; they are very well built and very comfortable. The proportions are generous, and they look great from all angles. The condition is excellent for their age, we have just had the frames stripped and re-polished to a very high standard. The satin birch has a beautiful colour and gorgeous grain patterns. We have also just had these newly upholstered in our cream cotton fabric. Width – 31 inches , 78 cm Depth – 26 inches , 66 cm Height – 34 inches , 87 cm Seat height – 16 inches , 41 cm
