Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 420 manual winding movement with inner dust cover and the reference number of 2690, this a particularly rare model. It has a water resistant case, screw down back and a new armoured glass has been fitted. The dial is superb condition having been fully restored and it has the very early bowler hat crown. It measures 33.5mm in diameter excluding the winding crown. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
