Description

English Regency Antique Iron Garden Tree Bench Seat This is a wonderful, early 19th century antique country house garden bench seat that is in fantastic condition. We have a pair available identical in size and design. The wrought iron strap work is all reeded and in excellent complete and strong. This Regency garden seat has a curved back so would work well in a corner or around a tree or a ornamental specimen. Dating to around 1815, this beautiful shapely antique garden seat stands on lions paw feet. The old worn paint surface has been taken off, primed in the traditional way, then undercoated and finished in a lovely blue exterior paint. We have two Regency benches available. Priced individually. Dimensions Height: 96cm (38.10") Width: 112cm (44.44") Depth: 55cm (21.83")
