Description

Well proportioned Regency mahogany chest of drawers, with fully beaded drawers and lovely brass handles with an acorn to their backplate, circa 1820. This is a great size chest of drawers to tuck into a smaller bedroom, but also I find this style of chest can sit well in a living room too, ideal for alcoves etc. Always a fan of the four long drawers style. Good condition throughout and with the top having been re polished recently, so there are no age and use ring marks etc. Measuring: 33 3/4 inches or 86 cm high 37 1/2 inches or 95.5 cm wide 19 1/4 inches 49 cm deep
