Width = 33.7 cm (13.3")

Depth = 22.9 cm (9.0")

Description

A great example of a late 18thc ash three legged stool...it has superb graining and colour that you find with "aged" ash and if you look at the underneath it has a wealth of pit saw marks and even a mark where the maker was going to put a fourth leg, but then changed his mind....excellent condition and fully treated for wood worm. English. C1770-90.

Internal Ref: MS 7604
