Description

An impressive 38 cm tall this original 1930's Art Deco cold painted spelter table lamp features a nude female holding aloft a sepia marble effect glass globe shade. Kneeling on an alabaster & spelter base she is in beautiful condition with very minor visible wear to the body. She's totally original. The detailing and craftsmanship is wonderful and at every angle either switched on or off she looks amazing. The glass shade is original to the era and is without damage. Some signs of age to the base. Takes a bayonet B22 bulb, wattage we would suggest no higher than 60, 40 ideally. UK FREE mainland delivery
