Description

A neat Edwardian antique ash chest of drawers. The antique ash chest of drawers has a rectangular shaped two plank top above an arrangement of two short over three long drawers, each with modern drop handles. The antique ash chest of drawers is raised on decoratively shaped sides. A rather pleasing example of an Edwardian antique. Item Ref; M-4382 . DIMENSIONS: Height - 97.5cm / Width - 107.5cm / Depth - 54cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage to the top and sides (pictured), further scratches to the drawer fronts (pictured). There are also dents and losses to the fronts beading (pictured), however this doesn't affect the overall integrity of the product. The antique ash chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a clean example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item....
