Dimensions

Height = 206 cm (81.1")

Width = 164 cm (64.6")

Depth = 50 cm (19.7")

Description

An attractive early 19th century antique Welsh oak dresser. The upper section of the antique Welsh oak dresser has a moulded and shaped cornice above a three graduated shelf rack back. The lower section has a T shaped arrangement of six drawers (two dummy) each with brass knobs, flanked by two cupboards. The cupboards open to reveal a spacious interior. The antique Welsh oak dresser is raised on bracket feet. Separates into two parts at the mid section for ease of transport and movement. Item Ref; M-4402 . DIMENSIONS: Height – 206cm / Width – 164cm / Depth – 50cm / Surface Height - 95cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains, shrinkage and splits to the surface top (pictured), further marks, scratches and fading to the front (pictured). There has also been an honest repair to the top left corner of the cornice (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique Welsh oak dresser remains structurally solid and sound, with the drawers running well. Overall, a good example.

Internal Ref. M-4402
