Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a classic watch. It has a calibre 552 24 jewel fully automatic movement. The dial is completely original, it has not been restored or retouched. It measures 35mm in diameter excluding the winding crown. It also has the Omega symbol on the winding crown. The Omega logo on the back of the case is bright and crisp. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. It is fitted to a new aftermarket beads of rice bracelet and fits a wrist size of up to 8 inches. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
