Description

A stunning luminous ring with a large pale honey-coloured citrine framed in rosy gold with a rope-twist accent. The oval section of the ring is 15-carat gold and the shank is 18 carat - we believe the ring is a historic conversion from a Victorian brooch, there are two pinholes at the back where the clasp would originally have been. In very good antique condition, with normal light surface wear. Size: P (UK), approximately 7.5 (US). The citrine measures approx 1.1 x 1.5cm and the face of the ring is 2.2 x 1.8cm. The top of the ring sits around 0.5cm above the finger. Weight: 6.2g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded. Antique boxes pictured are not included unless specified; your item will come in a new box.
