Description

These are a very nice quality pair of French 19th century Pie crust armchairs. One of my personal favourite designs as they really do make a statement. These ones are slightly better than the norm as they have the scalloped shape to them as well. Great size and very comfy. Measurements Height 98cm Width 80cm Depth 84cm Depth of seat 52cm Height of seat 44cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 10 metres of material (5m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
