Depth = 50 cm (19.7")

Description

An attractive early 19th century antique Welsh oak dresser base sideboard. The antique dresser base sideboard has a T shaped arrangement of six drawers (two dummy) each with brass knobs, flanked by two cupboards. The cupboards open to reveal a spacious interior. The antique dresser base sideboard is raised on bracket feet. Lovely colour and patina throughout. Item Ref; M-4402 . DIMENSIONS: Height – 95cm / Width – 155cm / Depth – 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains, shrinkage and splits to the top (pictured), further marks, scratches and fading to the front (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique dresser base sideboard remains structurally solid and sound, with the drawers running well. Overall, a good example of a Welsh oak antique. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the ...
