Description

An attractive Georgian antique elm chest of drawers. The antique elm chest has a rectangular shaped top that sits above two short over three long graduating drawers, each with decorative brass backplates and drop handles. The antique elm chest of drawers is raised on bracket feet. Brilliant colour and patina throughout. Item Ref; M-4398 . DIMENSIONS: Height - 89cm / Width - 98cm / Depth - 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the top and sides (pictured), further marks and scratches to the drawer fronts (pictured). There are a few losses, also patch and fill repairs to the front and top (pictured), however this doesn't affect the overall integrity of the product. The antique elm chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of a Georgian antique chest of drawers. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form ...
