Description

Pair of Original Antique Georgian Andirons A Fantastic pair of Cast Iron Decorative Andirons. We bring to you this rare pair of excellent condition Andirons made from solid cast iron in around C1800. These ornate Andirons are in a black finish and are extremely heavy for their size. In the centre of the Andirons features the Initials 'R H T' in a family crest shield. Made for laying large logs across a fireplace to give airflow to a large open fire. These lovely Georgian Andirons are still fit for their purpose and will grace any period property with a larger open fireplace. Please note; This item is in fantastic condition for its age as shown by the photographs below. Being an antique items of this age there are obviously marks, scratches and dents, however, we feel that these points are which adds to its charm and character to a piece. Dimensions Height: 585mm Width: 270mm Depth: 495mm Height of log support: 200mm Weight: 16kg each Delivery *Private insured courier normally £60 for this item, enquire for accurate quote*
