Description

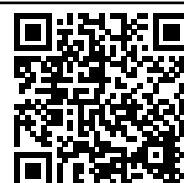

A beautiful rare solid silver Indian cigarette or cheroot case. It is unmarked but tests as high grade silver. I would date it to c1890-1900. It has been beautifully hand made being embossed and chased with figures. It is in superb condition being free from dings holes and repairs. It measures approx. 3.25 inches (8.5cm) tall by 2.25 inches (6cm) across by 0.75 inch (2cm) wide and weighs 96 grams. A superbly designed beautiful example.
