Description

This is a very fine early 20th century Italian still life oil on canvas. The quality is very high with a huge amount of details in the piece. Overall condition is very good also. The darker background and frame with the bright subjects really makes this painting stand out. Great size which also means it is a perfect decorative piece. Signed bottom left. The frame it is in is very unusual as it also has painted decoration. All together it makes this a real focal point of any room. Height 95cm Width 124cm Price includes UK mainland delivery
