Description

A well proportioned Georgian antique oak mule chest. The antique oak mule chest has a four panelled hinged lid that opens to reveal a spacious interior. The antique oak mule chest has further storage to the front, consisting of two drawers at the base, each with two brass swan neck handles. The Georgian oak mule chest is raised on bracket feet. Decorative panelling throughout. Item Ref; M-4401 . DIMENSIONS: Height – 73.5cm / Width – 127cm / Depth – 62cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the top, front and sides (pictured), also shrinkage to the panelling (pictured). There is minor evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique oak mule chest remains structurally solid and sound, with the drawers running well. Overall, a good example of a Georgian oak mule chest.
