Description

A lovely pair of antique Georgian mahogany D end console tables. They were made in England, and date from around the 1800-1820 period. The quality is excellent, they have generous proportions and are very impressive. They sit on tapered legs, the mahogany has a gorgeous colour tone and patina. We have recently had them re-polished, the condition is fantastic for their age. There is just some very minor wear and various small marks here and there beneath the polish, commensurate for age. Width – 44 inches , 111 cm Depth – 24 inches , 60 cm Height – 30 inches , 76 cm
