Date of manufacture: 1960

Description

A beautiful high quality heavy Continental solid sterling silver water or cocktail bar jug. It is marked with the 925 standard mark along with a makers mark and I would date it to c1960s -1980's. It has been beautifully designed being hand planished and is in super condition being free from dings splits and repairs, light surface marks from use. It is large measuring approx. 7.25 inches (18.4cm) tall by 6.25 inches (16cm) wide spout to handle by 3.5 inches (9cm) across the base and weighs an impressive 498 grams. A beautiful very high quality piece.
