A large and impressive antique French table lamp in onyx and gilt metal. This was made in France and dates from around the 1930's. It is of super quality, with beautiful coloration to the onyx and beautiful, intricate details to the gilt metal frame. The condition is excellent for its age, it is in good working order and the lamp has no damage. We have paired this with a gorgeous vintage silk shade that compliments it very well. The shade is also in great condition, there is just one tiny perforation to the inner lining, seen in the images.
