Description

Early 18th century oak side-table; the overhanging top mounted on a frame with a single drawer with a bold fielded and moulded panel front; on baluster-turned legs with moulded stretchers. Circa 1710 Provenance: Collection of Samuel Wolsey John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
