

SA942314

Late 19th century English
crystal champagne coups

Price

Sold**Item Reference: SA942314****Date of manufacture: 1890**

Description

This is a matching set of ten stunning champagne coups/saucers. They are unmarked but possibly west midlands manufacture. The clear crystal coups are approx 12.5cm tall. Each has a repeat printed panel cut bowl above a facet cut stem. These can be viewed remotely or by appointment in the Stratford upon Avon shop. International shipping can be arranged, zip/postal code required for accurate costs. UK mainland shipping free. No goods will be despatched between 18th December and 10th January.

Internal Ref: Hag/stour
