Description

Antique Oak Glazed China Cabinet. Ideal for collectors or as a bookcase. We are delighted to offer this excellent condition antique (circa 1920's) oak china cabinet. This cabinet features a solid oak top with rear up-stand complete with a carved moulded edge. The cabinet has gothic arch glazed doors which latch and lock closed via its original lock and key. Inside the cabinet are 2 fixed shelves covered with green baize material which is in good clean condition. The whole cabinet stands on Oak carved Queen Anne style legs on ball and claw feet. All of the joints are as tight as should be and the cabinet does not wobble or fall when the doors are opened. Ideal for storing and displaying small collections, ornamentals or books. This cabinet has obviously really been looked after as it is in a lovely original condition with its lovely original lightly faded dark Oak colour and French polished finish. We have just cleaned and waxed this item to enhance the French polished surface and preserve it for many years to come. Please note; this item is in very good condition for its age but will have the odd blemish here and there. However, we feel that adds to the charm ...
