Description

This is a lovely example of a ladies wristwatch. It has a platinum case surrounded by diamonds and then more diamonds to the beautiful articulated shoulders which are incredibly white, bright and crisp. The total carat weight is approximately 2cts - elegant and very much in the classic Art Deco design. The new glass is facet cut to give that extra sparkle. It has its original 9ct white gold clasp on the silk trap. The case measures 17mm wide and the total length of the platinum and diamond section is 80mm including the shoulders. The bracelet can be adjusted to fit any wrist size. It comes complete with its original presentation box. It is quite stunning, the case professionally cleaned and polished so it is absolutely pristine. The case is marked platinum and has been fully tested. This watch certainly has that understated elegance which resonates class. Overall this watch is simple stunning and was obviously extremely well cared for, it would certainly make a perfect gift for any lady especially when worn with that little black dress - very Audrey Hepburn! This watch has been fully and professionally overhauled, the process is highly detailed and meticulous...
