Description

A neatly proportioned antique pine trunk or tool box, of small proportions. The antique pine trunk has a hinged lid that opens to reveal a spacious interior with a removable tray to the top. There are exposed dovetail joints to the corners, and metal carry handles to either side for easy lifting and transport. The antique pine trunk is raised on a plinth base. Finished with a fresh coat of natural wax. Item Ref; M-4199 . DIMENSIONS: Height - 37.5cm / Width - 78cm / Depth - 41cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents to the front and sides (pictured), further scratches and shrinkage to the top (pictured). There are also marks and stains to the interior (pictured). There is evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique pine trunk remains structurally solid and sound. Overall, a neat example.
