Description

Great size Sheraton style marquetry inlaid oval tray, circa 1900. This is a large tray, ideal for using on an ottoman footstool, but also on a sideboard as a decanter tray, or as a hall table tray to drop your keys onto. The underneath is fully covered in a grey baize, so it won't scratch any surface below. The condition is good with some minor age marks here and there, but it is solid and the marquetry is all complete. The ticket price does include free delivery within mainland UK Measuring: 70cm wide x 37cm wide
