

SA945808

A Large Tortoiseshell and Silver Page Turner c.1910

Price

Sold**Item Reference: SA945808****Date of manufacture: Edwardian**

Dimensions

Width = 40 cm (15.7")

Description

A very decorative Edwardian large tortoiseshell and silver page turner. The page turner is mounted with embossed trailing foliate decoration of flowers, a bird and an insect. The embossed silver decoration is on both sides of the piece. Would make a super Christmas present. Length 40cm. It is in very good condition. It has a minute chip on the side which is virtually invisible to the naked eye.

Internal Ref: FF
