Description

A rustic antique pine Welsh dresser base or sideboard. The antique pine Welsh dresser base has a two door cupboard that opens to reveal a large full width storage space, with a single shelf. Above the cupboard are two fitted drawers, each with decorative brass backplates and drop handles. A particularly attractive example, full of rustic charm. Finished with a fresh coat of natural wax. Item Ref; M-4405 . DIMENSIONS: Height – 85cm / Width – 152.5cm / Depth – 46cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and slight warping to the top, further scratches and splits to the front and sides (pictured). There are also splits and minor losses to the back (pictured), however this doesn't affect the overall integrity of the product. The panels to the cupboard doors are new replacements. The antique pine Welsh dresser base remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a neat example.
