Description

Decorative high back occasional hall or fireside armchair in walnut and newly upholstered, circa 1900 and in good condition. Well craved frame and with a crinoline style stretcher to the underside frame. The chair does have quite an upright back, hence I have described it as an occasional chair, rather than a chair you would sit in all evening if that makes sense... Good solid frame and newly upholstered in this faded stripe and edged with a scrolled braid. Measuring: 52 3/4 inches or 134 cm high 27 inches or 68.5 cm wide 24 inches or 61 cm deep 17 1/2 inches 44.5 cm seat height 28 inches or 71 cm arm height.
