Description

A beautiful English antique solid sterling silver and citrine wax seal. It is hallmarked for Birmingham 1906 with the maker's marks being difficult to decipher. It has been superbly designed with the end being in the form of a Scottish thistle. It is in super condition being free from dings splits and repairs, tiny nibbles to the thistle under a lens but nothing of note. It measures approx. 1.5 inches (3.6cm) long by 0.75 inch (1.7cm) wide and weighs 6 grams. A rare example.
