It has a large solid 15ct rose gold case with 15 jewel movement, but what makes this watch really stand out is the pink enamel around the dial which is in perfect condition with no cracks or chips, it compliments the colour of the rose gold beautifully and sets off the blue numbers set in the enamel. The case is fully hallmarked as 15ct and the hallmark letter dates this to 1912/13. It has a slender black leather strap. It comes complete with a new red presentation box to keep your watch in perfect condition. The watch case measures 26mm in diameter not including the crown. There are two very small hairline cracks to the white enamel under dial but this does not detract from the beauty of this quite unique watch. Thw watch has just been fully serviced and movement comes with a full 1 year warranty. If you would like further information please tel...
