Description

Fabulous and in good original condition black lacquered bobbin chair with a rush seat, circa 1880. Very decorative chair and the black lacquer has cleaned up beautifully, then has a few coats of beeswax to give it a mellow shine. The rush seat is in good condition and the frame is solid, so this is a seat that you can sit on! Also, this chair will sit in a hall corner and look great too if you just want to look at it. Measuring: 28 inches or 71 cm high 16 1/2 inches or 42 cm wide 15 inches or 38 cm seat height
